

EXTERNAL ASSESSMENT SAMPLE 2020

MODERN HISTORY

Course Code: HSM315117

This year's Modern History paper has not changed for Sections A and B but has changed for Section C.

Section C still has a recommended time of 60 minutes, but it will no longer assess Criterion 4 and will only assess Criteria 3 and 7. Therefore, the questions will focus on **differing historical interpretations** and **will not refer to specific events**. This will decrease the need for students to have detailed knowledge of specific information in Section C topics.
